- » **DARITECH** Separation Systems

Since 1990, DLS has strategically partnered with innovative dairy equipment companies worldwide to provide the most complete product offering on the market. Over the years, DLS has further expanded upon its product line by designing and fabricating quality products of its own. This product portfolio, coupled with over 30 years of experience in dairy barn design, construction, and service, has enabled DLS to become a progressive leader in today's evolving dairy industry.

WE WANT YOU TO SUCCEED WE'RE THERE BEYOND THE INSTALLATION
